STATEMENT OF ORIGINALITY
SUBMITTED TO THE
JURNAL TRANSFORMATIKA

Title of the manuscript : Pattern Recognition of Human Face With Photos Using KNN Algorithm

Authors : Dedy Kurniadi; Andre Sugiyono; Linggar Alfihna Wardaya

With this paper the authors state the originality of the paper:

1. As the authors we certify that this manuscript is original and its publication does not infringe any copyright.

2. As the authors we declare that the manuscript has not been previously published, in whole or in part in any other journal or scientific publishing company. Also the manuscript does not participate in any other publishing process.

3. As the authors we declare that all persons listed hereafter were committed in the creation of the paper and were informed about their participation.

4. We include the results of the plagiarism check with turnitin in the form of a capture image.

So this statement of originality is made without any coercion, thank you

ARTICLE INFO	ABSTRACT

A Facial photos in today's era are widely used as a media for identity recognition, but not many computer applications provide identity recognition of face photos that contain the names of the photo owners, to make an a prototype the sistems use a KNN algorithm, this algorithm work is by classifying the closest object and grouping it on predetermined
